**To All Fellow Hypnotists**

We have an opportunity to register with the Canadian Examining Board of Health Care Practitioners. “The Canadian Examining Board of Health Care Practitioners, a certified educational institution by the Minister of Human Resources under Sections 118.5 and 118.6 of the Income Tax Act, is a complementary health care organization which has, since 1991, set professional and measurable working standards for the field of complementary health care. This has been done in order to promote and support effective, safe, and ethical holistic health care practices. We are on the Advisory Committee to the Municipal Licensing & Standards Dept. of Toronto. “ [www.canadianexaminingboard.com](http://www.canadianexaminingboard.com)

Our organization is working towards having its members recognized as Health Care Practitioners by the Ministry of Health. In order to garner support from the government, we need your support. Strength is in numbers. In time your clients will also benefit from your membership in that ‘hypnotism’ may be covered under their employee benefit programs. The first 25 candidates to join will be grandfathered. The remaining parties will be individually evaluated by the Board and required to have a minimum amount of requirements.

Debbie Papadakis M.Ht, BCH, C.I., will serve as our representative as well as present all prospective applications to the CEBHCP.

If you are interested in joining this board, the following is required:

Photocopy of your highest level of hypnosis certification, two passport size photos of yourself, complete the following CEBHCP application and a cheque for \$450.00 made payable to Hypno Healing Institute.

Please forward the above to:
