World Hypnotism Day

The Hypno Healing Institute on 355 Keele Street celebrated World Hypnotism Day on January 4th with two highly anticipated workshops followed by an open house. The first seminar, 'Unleash your inner power for change through hypnosis,' taught participants how to tear down their internal barriers and achieve their dreams. The second workshop, 'Unclutter your mind to attract abundance,' led attendees through processes that catalyze the mind's power. Afterwards, world-renowned hypnotherapist, Debbie Papadakis, was on hand to answer any questions. All proceeds generated will benefit The Stop Community Food Centre. For more information call 416-760-8996 or visit www.hypno-healing.com.
